

8th Biennial Conference of the Africa Academy of Management

4-7 January 2026

ESCA Ecole de Management

Casablanca, MOROCCO

‘The Art of Collaboration: Addressing Grand Challenges in Africa Through Research,
Education, Practice and Policy Making’

Extension of Submission Deadline

Dear Colleagues,

In response to the enthusiastic interest and the high volume of submission inquiries we’ve received, we are pleased to announce an extension of the submission deadline for the AFAM 2026 Conference.

The new deadline for paper submissions is now **May 30, 2025** (previously April 30, 2025).

This extension reflects our commitment to fostering broad and inclusive participation across the scholarly community. All submissions should be completed **via the online submission system**.

We also encourage all submitters to contribute to the peer review process by signing up to review up to two submissions—a vital way to support the community and ensure a high-quality program.

We look forward to receiving your contributions and to welcoming you to an engaging and impactful conference.

Warm regards,

Samuel Aryee
Conference Chair
